Corporate Profile

PERS provides independent, high-quality services to corporations. We are committed to upholding the standards of professionalism, integrity, and technical excellence while delivering quality audit that meet statutory and regulatory expectations.

The firm serves clients across a broad range of industries, spanning both commercial and non-profit sectors. Our team has substantial experience in conducting group audit, including audits involving multiple components, overseas subsidiaries, and cross-border operations. Our audit teams are experienced in planning and executing group audit strategies, coordinating with component auditors, and evaluating component work to ensure compliance with auditing standards and overall audit quality objectives.

Our People

PERS is led by directors who have significant extensive experience in audit and assurance across a wide range of industries and in dealing with the Singapore Exchange (SGX) in connection with audit of listed entities, Initial Public Offerings (IPOs) and Cross-border engagements, in particular, China-related audit engagements.

We maintain a strong focus on audit quality, independence, and professional standards.

Our Commitment

PERS is committed to delivering independent, objective, and high-quality professional services. Through a disciplined audit methodology, robust quality control framework, and strong technical foundation, we strive to uphold confidence in financial reporting and build long-term relationships based on trust and professional excellence.
